

SYNERGY

We value our relationships with our STAKEHOLDERS with the spirit of once-in-a-lifetime encounters.

We sincerely think and act on how we can create SYNERGY.

We provide every employee with a place for creativity, curiosity, ambition, and self-actualization.

Both employees and the company will set high goals and we aim to be a company that evolves and grows together with our customers.

We aim to be a "Treasure Box Company" that constantly pursues improvement in each business and provide customers with surprise, excitement, new discoveries, and value.

We aim to be a "dynamic company" that responds accurately and quickly to diversifying corporate and consumer needs without forgetting our inquisitiveness.

We aim to be a "sincere merchant company" that is honest, fair, humble, and loves business.

OUR LEAF CLOVER

The four-leaf clover represents the following 4S.

Sincerity

We will respond to all stakeholder requests with honesty and sincerity.

Speed

We will provide satisfaction to all our stakeholders with speedy responses to keep up with modern society.

Something New

We will provide new business opportunities, new information and value that will lead our customers to success.

Success

We will earn our customers' trust and bring them certain success.
